Upload Resources

ⓘ Some features are only available to some users. If you do not see a specific feature, your account is not configured to access it.

You can upload resources for your reference, to add to an assignment, and to share with others as a Learning Resource.

Step-by-Step

1. Click **Assignments,** and click **My Resources**.

2. Click **Add Resource**.

My Assignment Sheets	My Favorites	My Resources		
My Resources				
Title		Subject	Date Created	Add Resource
📄 A sample ELAR in Windows		ELAR	05/08/2020	✎ 🗑

3. In the **ADD RESOURCE** pop-up, enter the **Resource Name** and select a subject. Then, select applicable **Standards**.

ADD RESOURCE   ✕

Resource Name: (eg. 11th Grade AP Chemistry)

Sample Resource

Subject:

Mathematics   ⬍

Standards:

Quantitative Reasoning
- I.A.1 - Compare relative magnitudes of rational and irrational numbers ☐
- I.A.2 - Perform computations with rational and irrational numbers. ☐
- VII.B.1 - Solve problems with fractions/ratios/percentages/decimals/proportions ☑
- VI.C.1 - Apply known functions to model realworld situations. ☐
- VI.C.2 - Develop a function to model a situation. ☐
- II.A.1 - Explain the difference between expressions and equations. ☐
- II.B.1 - Comb./transform expressions w/ algebraic property/concepts/algorithms ☑
- II.D.1 - Interpret multiple representation of equation/inequality/relationship ☐
- II.D.2 - Convert multi representations of equations/inequalities/relationships ☐

4. Select the resource **Type**, **Format**, and **Difficulty**. Then, click **Choose** to upload the resource file.

5. Select **I have the right to use and share this resource for educational purposes**, and click **Upload**.

ADD RESOURCE

II.D.1 - Interpret multiple representation of equation/inequality/relationship ☐
II.D.2 - Convert multi representations of equations/inequalities/relationships ☐

What's Next?

- From the **My Resources** tab, you can
    - View an uploaded resource.
        - Click the resource name.
    - Edit a resource.
        - Click the Edit icon next to the **Date Created** column, and then click **Edit**.
    - Delete a resource.
        - Click the Delete icon at the end of the resource's row, and then click **Delete**.
- From any Perspective page, you can view and add your uploaded resources to assignment sheets.
